AGILE VEHICLE TECHNOLOGIES LIMITED NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2022

1 Statutory information

AGILE VEHICLE TECHNOLOGIES LIMITED is a private company, limited by shares, registered in England and Wales, registration number 09189617. The registered office is 67 Erghum Lane, Devizes, Wiltshire, SN10 2GT.

2 Compliance with accounting standards

The accounts have been prepared in accordance with the provisions of FRS 102 Section 1A Small Entities. There were no material departures from that standard.

3 Accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

Basis of preparation

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

Presentation currency

The accounts are presented in f sterling.

Foreign currencies

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rates of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. Turnover from the sale of goods is recognised when goods have been delivered to customers such that risks and rewards of ownership have transferred to them.

Government grants

Government grants in relation to tangible fixed assets are credited to profit and loss account over the useful lives of the related assets, whereas those in relation to expenditure are credited when the expenditure is charged to profit and loss.

Intangible fixed assets

Development costs for specific projects are capitalised where it is expected that the projects will generate adequate future economic benefits and are amortised over the future periods expected to benefit from them.

Other intangible fixed assets (including purchased goodwill and patents) are amortised at rates calculated to write off the assets on a straight line basis over their estimated useful economic lives.

Impairment of intangible fixed assets is only reviewed where circumstances indicate that the carrying value of an asset may not be fully recoverable.

Tangible fixed assets and depreciation

Tangible assets are included at cost less depreciation and impairment. Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives:

Plant & machinery	20% straight line basis
Motor vehicles	20% straight line basis
