ARGEO HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

1. General information

Argeo Holdings Limited is a private company limited by share capital and incorporated in England and Wales. The address of its registered office is 2 Communications Road, Greenham Business Park, Newbury, Berkshire, England, RG19 6AB. The principal activity of the Company until 30 September 2016 was that of the sale of software, hosting and systems development to the information industry. From 1 October 2016 the Company has operated as a holding company.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 Going concern

The Company trades solely with Argeo Holdings Inc (AHI) and, therefore, is dependant upon the continued financial support of AHI. The directors are satisfied that AHI will continue to provide financial support to the Company for at least the next 12 months from the date of the financial statements. The financial statements have, therefore, been prepared on a going concern basis.

2.3 Operating leases

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the lease term.

2.4 Interest income

Interest income is recognised in profit or loss using the effective interest method.

2.5 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.6 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.7 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.
