Notes to the Abbreviated Accounts for the period ended 31 March 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents income receivable during the year for the provision of boat charter and marine transport services.

Tangible assets depreciation policy

Depreciation is provided on tangible fixed assets to write off the cost to residual value on a reducing balance basis over their expected useful lives at a rate of 10% per annum for boats and 25% for vehicles.

Intangible assets amortisation policy

Depreciation is provided on purchased intangible fixed assets to write off the cost on a straight line basis over their expected useful lives at a rate of 25% per annum.

Other accounting policies**Deferred Taxation**

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different to those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.
