**NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 31 March 2023**

1. STATUTORY INFORMATION

Ibidem Limited is a private company limited by shares and incorporated and domiciled in Scotland. It has its registered office and principal place of business at Caledonian Exchange, 19a Canning Street, Edinburgh, EH3 8HE.

The principal activity of the company is that of other letting and operating of own or leased real estate.

The presentational currency of the financial statements is Pounds Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

Having regard to liquidity risk, current market conditions and other factors affecting the company, the use of the going concern basis of accounting is appropriate as, in the opinion of the directors, there are no material uncertainties related to events or conditions that may cast significant doubt about the ability of the company to continue as a going concern.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 33.3% on cost and 20% on cost

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost less any provision for impairment.

With regards to other fixed asset investments, listed investments are held at fair value with changes of fair value recognised through the profit and loss account.

Non listed investments are held at cost where fair value cannot be reliably measured.

Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell, after making due allowance for obsolete and slow moving items. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Stock is calculated on the first in first out basis.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Profit and Loss Account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS - continued
for the Year Ended 31 March 2023**2. ACCOUNTING POLICIES - continued****Taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
