Kinetic Recruitment Services Limited

Strategic Report For the Year Ended 31 March 2020

Introduction

Kinetic Recruitment Services Limited provides human resource and staffing services to the manufacturing, engineering and technical markets predominantly in the UK.

Business review

The company is well diversified in a number of core segments, principally within engineering and manufacturing. With continued additional uncertainty post the European Referendum, the continuing focus on cost management and customer value is key to future profitability.

The company's growth strategy will continue with further diversification into engineering markets within the UK and enhancing the value added human resource and staffing services offerings.

Kinetic Recruitment Services continuing commitment to employees being the company's greatest asset is an employee owned company. All employees equally share in the success of the business.

Principal risks and uncertainties

Commercial risks to the core business continue to be challenging external market forces and industry legislation costs. There is an acute shortage of skilled engineering personnel in the UK. Such risks are mitigated with the market diversification strategy and a continuous drive for processes to be innovated along with strong cash management and strong balance sheet

For risk management of Brexit, a full review of the customer base has been carried out including supply chain wherever possible. Kinetic Recruitment Services is not exposed to import or export trading and has cash reserves in sterling with no debt. All key customers are reviewed monthly for credit insurance exposure.

COVID-19 Impact

The directors have reviewed Kinetic Recruitment Services Limited's business model and strategy and made relevant amendments to the risk register managed within our BS 9001:2015 British Quality Standard accreditation.

Government guidelines on all matters operational and financial have been followed as well as professional advice from our trade association the Recruitment and Employment Confederation.

Whilst the economic impact with the manufacturing and engineering recruitment markets has been significant, the company is well capitalised with a diversified business model to withstand the current and future climate.

Financial key performance indicators

Key financial indicators are concentrated on gross margin analysis and customer return on investment. Customer retention remains at 98%. This is analysed monthly and a core part of the ISO 9001:2015 quality management system within the company.

Gross margins are reviewed monthly in line with pricing policy. Full details are disclosed within the trading profit and loss account.

Other key performance indicators

Kinetic Recruitment Services Limited operates balanced scorecard to monitor strategy and to ensure the business is continuing to drive innovation and cost management throughout the organisation. Critical success factors continue to be focused on customer development and satisfaction, internal business process, finance and employee learning and growth.

Kinetic Recruitment Services Limited

Strategic Report (continued)
For the Year Ended 31 March 2020

This report was approved by the board and signed on its behalf.

N C Smith MBE
Director

Date: 11 August 2020

Kinetic Recruitment Services Limited

**Directors' Report
For the Year Ended 31 March 2020**

The directors present their report and the financial statements for the year ended 31 March 2020.

Directors' responsibilities statement

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Results and dividends

The loss for the year, after taxation, amounted to £343,812 (2019 -loss £103,004).

No dividends were paid in the year (2019: £2,703,593). The directors do not recommend payment of final dividend.

Directors

The directors who served during the year were:

N C Smith MBE
J Heseltine

Future developments

An indication of the likely future developments in the company's business is provided in the Strategic Report.

Kinetic Recruitment Services Limited

**Directors' Report (continued)
For the Year Ended 31 March 2020**

Disclosure of information to auditors

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Post balance sheet events

There have been no significant events affecting the Company since the year end.

Auditors

The auditors, Hurst Accountants Limited, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

N Betton

Secretary

Date: 11 August 2020

Kinetic Recruitment Services Limited

Independent Auditors' Report to the Members of Kinetic Recruitment Services Limited

Opinion

We have audited the financial statements of Kinetic Recruitment Services Limited (the 'Company') for the year ended 31 March 2020, which comprise the Statement of comprehensive income, the Balance sheet, the Statement of changes in equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Kinetic Recruitment Services Limited

Independent Auditors' Report to the Members of Kinetic Recruitment Services Limited (continued)

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Directors' responsibilities statement on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

Kinetic Recruitment Services Limited

Independent Auditors' Report to the Members of Kinetic Recruitment Services Limited (continued)

Use of our report

This report is made solely to the Company's members in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members for our audit work, for this report, or for the opinions we have formed.

**Notes to the Financial Statements
For the Year Ended 31 March 2020**

1. General information

Kinetic Recruitment Services Limited is a private company limited by members capital and incorporated in England and Wales. The address of the registered office and principal place of business is Lancastrian Office Centre, Talbot Road, Stretford, Manchester, M32 0FP. The nature of the company's operation and principal activity is human resource management services.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Financial reporting standard 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Kinetic Plc as at 31 March 2020 and these financial statements may be obtained from Companies House.

2.3 Going concern

The financial statements have been prepared on a going concern basis. The following paragraphs set out the basis of which the directors have reached their conclusion.

The ongoing COVID-19 pandemic is expected to affect most parts of the business community, including Kinetic Recruitment Services Limited. The directors have reviewed the Company's business model and strategy and made relevant amendments to the risk register managed within our BS 9001:2015 British Quality Standard accreditation.

Government guidelines on all matters operational and financial have been followed as well as professional advice from our trade association the Recruitment and Employment Confederation.

Whilst the economic impact with the manufacturing and engineering recruitment markets has been significant, the company is well capitalised with a diversified business model to withstand the current and future climate.

2. Accounting policies (continued)

2.4 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised:

Rendering of services

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the Company will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably; and
- the costs incurred and the costs to complete the contract can be measured reliably.

The Company operates in the recruitment industry and has two main revenue streams. Contractor revenue is recognised based on time worked during the period and placement revenue is recognised based on the start date of the successful candidate.

2.5 Operating leases: the Company as lessee

Rentals paid under operating leases are charged to the Statement of comprehensive income on a straight line basis over the lease term.

2.6 Interest income

Interest income is recognised in the Statement of comprehensive income using the effective interest method.

2.7 Finance costs

Finance costs are charged to the Statement of comprehensive income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

2.8 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of that year.

2.9 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of comprehensive income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Balance sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

2.10 Tangible fixed assets

Page 12

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Fixtures and fittings	-	15%	Straight line
Computer equipment	-	20%	Straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of comprehensive income.

2.11 Valuation of investments

Investments in subsidiaries are measured at cost less accumulated impairment. Where merger relief is applicable, the cost of the investment in a subsidiary undertaking is measured at the nominal value of the shares issued together with the fair value of any additional consideration paid.

**Notes to the Financial Statements
For the Year Ended 31 March 2020**

2. Accounting policies (continued)

2.12 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.13 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.14 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.15 Holiday pay accrual

A liability is recognised to the extent of any unused holiday pay entitlement which is accrued at the Balance sheet date and carried forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the Balance sheet date.

2.16 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However, if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or in case of an out-right short-term loan that is not at market rate, the financial asset or liability is measured, initially at the present value of future cash flows discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost, unless it qualifies as a loan from a director in the case of a small company, or a public benefit entity concessionary loan.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of comprehensive income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the Company would receive for the asset if it were to be sold at the balance sheet date.

Financial assets and liabilities are offset and the net amount reported in the Balance sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2.17 Dividends

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

Kinetic Recruitment Services Limited

**Notes to the Financial Statements
For the Year Ended 31 March 2020**

3. Judgements in applying accounting policies and key sources of estimation uncertainty

Preparation of the financial statements requires management to make significant judgements and estimates. The items in the financial statements where these judgements and estimates have been made include:

Recoverable value of trade debtors

The company has recognised trade debtors with a carrying value of £2,002,513 (2019: £3,504,779). The recoverability of trade debtors is regularly reviewed in the light of the available economic information specific to each debtor and specific provisions are recognised for balances considered to be at risk or irrecoverable.

Tangible fixed assets

The management of the company exercises judgement in estimating the useful economic life of fixtures & fittings and computer equipment.

Accruals and provision

Accruals and provisions are entered in the financial statements based on management expectations, taking into account various business and economic factors relevant to each individual item.

4. Turnover

An analysis of turnover by class of business is as follows:

	2020 £	2019 £
Human resource management services	<u>13,837,635</u>	<u>15,697,626</u>

All turnover arose within the United Kingdom.

5. Operating loss

The operating loss is stated after charging:

	2020 £	2019 £
Depreciation of tangible fixed assets	74,715	84,835
Operating lease rentals - land and buildings	109,721	113,852
Operating lease rentals - other	32,480	39,283
Defined contribution pension cost	<u>59,819</u>	<u>65,316</u>

Kinetic Recruitment Services Limited

**Notes to the Financial Statements
For the Year Ended 31 March 2020**

6. Auditors' remuneration

	2020	<i>2019</i>
	£	<i>£</i>
Fees payable to the Company's auditor and its associates for the audit of the Company's annual accounts	17,400	<i>17,400</i>
Fees payable to the Company's auditor and its associates in respect of:		
Tax services	<u>395</u>	<u><i>395</i></u>

7. Employees

Staff costs, including directors' remuneration, were as follows:

	2020	<i>2019</i>
	£	<i>£</i>
Wages and salaries	1,233,068	<i>1,256,450</i>

Social security costs	140,323	<i>139,313</i>
Cost of defined contribution scheme	59,819	<i>65,316</i>
	<u>1,433,210</u>	<i><u>1,461,079</u></i>

The average monthly number of employees, including the directors, during the year was as follows:

	2020	<i>2019</i>
	No.	<i>No.</i>
Sales and administrative staff	<u>40</u>	<i><u>42</u></i>

Kinetic Recruitment Services Limited

**Notes to the Financial Statements
For the Year Ended 31 March 2020**

8. Directors' remuneration

	2020	<i>2019</i>
	£	<i>£</i>
Directors' emoluments	122,785	<i>157,614</i>
Company contributions to defined contribution pension schemes	3,250	<i>8,775</i>
	<u>126,035</u>	<i><u>166,389</u></i>

During the year retirement benefits were accruing to 2 directors (*2019 -2*) in respect of defined contribution pension schemes.

The highest paid director received remuneration of £77,393 (*2019 -£93,167*).

The value of the company's contributions paid to a defined contribution pension scheme in respect of the highest paid director amounted to £3,000 (*2019 -£5,775*).

There are no key management personnel other than the directors.

9. Income from shares in group undertakings

	2020	<i>2019</i>
	£	<i>£</i>
Dividends received from group companies	-	<i>49,974</i>
