**Risk management**The Directors have examined the major strategic and operational risks, which the charity faces and confirms that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

#### **Public benefit**

The Trustees take into account the Charity Commission guidance on public benefit and believe that the activities of the Charity are in line with that guidance.

#### Objectives and activities

The Assembly's objectives are the following:

- a) To promote the spread of religious ideas usually described as Unitarian or Free Christian; b) To promote fellowship among the congregations and individual Unitarians in the area;
- c) To assist weak congregations;
- d) To encourage the formation of new congregations; e) To do all such other lawful things as are incidental to the above objects or any of them.

#### Achievements and performance

The Council is satisfied with the results for the year.

#### Governing document disclosure

The charity is governed by a memorandum and articles incorporated.

#### Financial review

Details of incoming resources and resources expended are shown in the Statement of Financial Activities on pages 5-7 of the financial statements. The Charity's primary source of income from listed investments has risen by 4.6%, and the value of listed investment has risen by 9%. Sales of listed investments yielded a small surplus which funded grants to member churches, as well as expenditure on the development programme and on administration.

#### Investment policy

The Trustees continue a policy of transferring the investment portfolio in both the unrestricted and designated funds to a wholly ethical basis. On the advice of our professional fund managers, the new portfolio emphasises capital growth, and is internationally weighted. This resulted in the year in a small unrealised loss in the portfolio

## COUNCIL'S REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2024

#### Reserves policy

It is the policy of the LDPA to maintain unrestricted and non-designated funds, which are the free reserves of the charity, at a level, which equates to approximately six months unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs and to respond to emergency applications for grants arising from time to time. Unrestricted funds were maintained at this level throughout the year.

On behalf of the Council

Rev. Sue Sinnamon

#### INDEPENDENT EXAMINER'S REPORT

## TO THE COUNCIL MEMBERS OF THE LONDON DISTRICT AND SOUTH EASTERN PROVINCIAL ASSEMBLY OF UNITARIAN AND FREE CHRISTIAN CHURCHES (INCORPORATED)

I report to the Council members on my examination of the financial statements of The London District And South Eastern Provincial Assembly Of Unitarian And Free Christian Churches (Incorporated) (the charity) for the year ended 30 September 2024.

#### Responsibilities and basis of report

As the Council members of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2024

#### 1 Accounting policies

#### **Charity information**

The London District And South Eastern Provincial Assembly Of Unitarian And Free Christian Churches (Incorporated) is a private company limited by guarantee incorporated in England and Wales. The registered office is Essex Hall, 1-6 Essex Street, Strand, London, WC2R 3HY.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the Council members have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Council members continue to adopt the going concern basis of accounting in preparing the financial statements

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Council members in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the Council members for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

#### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 30 SEPTEMBER 2024

#### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT, which cannot be recovered.

#### 1.6 Investment property

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

The property is treated as 45.6% general funds as this is the percentage which LDPA owns for its general use, and 54.4% restricted funds as this is the amount related to the other beneficial owners. The income received is split between the charity and the other beneficial owners.

#### 1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

#### 1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

The latest formal valuation was in August 2017 by Rush, Witt and Wilson Residential and Commercial Estate Agents, who are not connected with the charity. The valuation was £400,000, and was made on an open market value basis by reference to market evidence of transaction prices for similar properties.

#### 21 Pensions

Following the appointment of the previous District Minister in June 2021, who elected to have his pension contributions paid into a Self-Invested Private Pension administered via an independent financial advisor, the Charity did not participate in the Ministers Pension Fund Scheme. This Minister however resigned 30th June 2024.

Following the appointment of the current District Minister on 12th August 2024, the Charity resumed its participation in the Ministers Pension Fund Scheme, which is a defined benefit scheme. The Charity had one employee participating in the scheme. The assets of the scheme are held separately from those of the Charity and are administered by the Ministers Pension Fund.

Contributions to the scheme are charged to the Statement of Financial Activities so as to spread the cost of pensions over the employees' working lives with the Charity. A qualified actuary using an on-going assessment of the funding position determines the level of pension contributions. The last actuarial valuation of the Ministers Pension Fund scheme for which results are available was on 31 December 2013 and showed a deficit for the whole scheme of £644,000 (2010: £801,000) before adjustments. This is made up of a Past Service deficit of £1,043,000 offset by a future Service surplus of £399,000 generated by the current contribution of 8.5% from members and congregations. From January 2013 pension contributions from members and congregations have been at the rate of 10%.

Employer contributions and employee contributions were both 10% of earnings including the District Minister's housing allowance, and this was the same for both the outgoing and incoming District Minister. The pension cost for the year of the charity amounted to £4,293 (2023: £4,626).

There were contributions outstanding at the year end of £Nil (2023: £776).
