#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 NOVEMBER 2019

#### 1. **STATUTORY INFORMATION**

Ray-Dor Ltd is a private company, limited by shares , registered in England and Wales. The company's registered

number and registered office address can be found on the Company Information page.

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### **Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates and value added tax.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery
Motor vehicles
- 25% on reducing balance
- 25% on reducing balance
- 33% on reducing balance

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any

accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset

to the location and condition necessary for it to be capable of operating in the manner intended by management.

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted prospectively if

appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying value amount and are  $\frac{1}{2}$ 

recognised in the Income Statement.

#### **Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

#### **Financial instruments**

The company only enters into basic financial instruments transactions that result in the recognition of financial assets

and liabilities like trade and other debtors and creditors, loans from banks and other third parties and loans to related parties.

#### Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the

extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or

substantively enacted by the balance sheet date.

## 2. ACCOUNTING POLICIES - continued Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from

those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that

have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will

be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension

scheme are charged to profit or loss in the period to which they relate.

#### **Debtors**

Short term debtors are measured at transaction price, less any impairment.

#### Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

#### **Creditors**

Short term creditors are measured at the transaction price.

#### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 7 (2018 - 8).
