**Notes to the Financial Statements  
for the Year Ended 30 June 2017**

**1. STATUTORY INFORMATION**

INTEGRYS (SOLUTIONS) LIMITED is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Turnover**

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

Revenues from systems are recognised upon delivery to a customer when there are no significant vendor obligations remaining and the collection of the resulting receivable is considered probable. Service revenues comprises revenues for maintenance and professional services. Maintenance and support contracts are recognised rateably over the period of the contract. Professional services, such as implementation, training and consultancy, are recognised when the services are performed. On contracts involving a combination of products and services, revenue is recognised separately on each deliverable in accordance with the relevant policy.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 50% on cost

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
