**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2019**

**1. STATUTORY INFORMATION**

Uplands Mobiles Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The principle accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

**Related party exemption**

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

**Turnover**

Income is recognised to the extent the Company has delivered goods or rendered services under an agreement, the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the Company. Income is measured at the fair value of the consideration receivable, exclusive of sales taxes and discounts.

The Company principally obtains income from providing mobile and fixed telecommunication services including: access charges, voice and video calls, messaging, fixed and mobile broadband and related services such as providing connection fees and equipment sales. Product and services may be sold separately or in bundled packages.

Income for access charges, voice and video calls, messaging and fixed and mobile broadband provided to contract customers is recognised as services are performed, with unbilled income resulting from services already provided accrued at the end of each period and unearned income from services to be provided in future periods deferred.

Customer connection income is recognised together with the related equipment income to the extent that the aggregate equipment and connection income does not exceed the fair value of the equipment delivered to the customer. Any customer connection income not recognised, together with any related excess equipment income, is deferred and recognised over the period in which services are expected to be provided to the customer. The cost of the equipment to the company is deferred and recognised / released during the life of the contract, with the cost prepaid until utilised.

Income for device sales is recognised when the device is delivered to the end customer and the significant risks and rewards of ownership have transferred.

**Goodwill**

Goodwill is the difference between amounts paid on the acquisition of a business and the fair value of the identifiable assets and liabilities. It is amortised to the Profit and loss account over its estimated economic life.

NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 DECEMBER 2019

2. ACCOUNTING POLICIES - continued

**Intangible assets**

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 8 years
Computer equipment	- Over 5 years

**Inventories**

Inventories and work in progress are valued at the lower of cost and estimated selling price less costs to sell. In general, cost is determined on an average basis. In the case of manufactured products, cost includes all direct expenditure and production overheads based upon a normal level of activity. Provision is made where necessary for obsolete, slow moving and defective stocks.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes.

Tax deferred or accelerated is accounted for in respect of all material timing differences.

**Pension costs and other post-retirement benefits**

The company participates in a defined contribution money purchase schemes. The charge against profits represents the contributions payable to the pension schemes in respect of the accounting period. The asset of the pension schemes are held separately from those of the company.

**NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 DECEMBER 2019**

**2. ACCOUNTING POLICIES - continued**

**Cash at bank and in hand**

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

**Debtors**

Trade debtors are recognised at the settlement amount after any trade discount offered.

**Other debtors**

Included in other debtors is the prepaid asset in respect to the estimate of the cost of phones booked out of stock to sell under revenue share arrangements.

**Creditors and provisions**

Creditors and provisions are recognised where the company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Employment benefit**

The costs of short-term employee benefits are recognised as a liability and an expense.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.
