Notes to the Abbreviated Accounts for the period ended 31 March 2016

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents net invoiced sales of goods and services, excluding VAT.

Tangible assets depreciation policy

Depreciation is calculated to write down the cost less estimated residual value of all

tangible fixed assets over their expected useful lives.

The rates generally applicable are:

Fixtures and fittings - 25% straight line Plant and machinery - 25% straight line Motor vehicles - 25% reducing balance Freehold property - 2% straight line

Valuation information and policy

Stocks are stated at the lower of cost and net realisable value.

Other accounting policies

Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation

computations in periods different from those in which they are included in the company's

accounts. Deferred tax is provided in full on timing differences which result in an

obligation to pay more (or less) tax at a future date, at the average tax rates that are

expected to apply when the timing differences reverse, based on current tax rates and

laws.
