Notes to the Financial Statements

for the Period Ended 30 November 2021

1. Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the small companies regime.

Going Concern

The company has a deficit on shareholders' funds and relies upon the support of its shareholders and creditors, which has been confirmed for a period of at least twelve months from the approval of the financial statements. Accordingly the directors have prepared the financial statements on the going concern basis.

Turnover

The turnover shown in the profit and loss account represents revenue earned during the period, inclusive of VAT. Long-term and ongoing contracts turnover represents the value of work done including estimates of amounts not yet invoiced and is recognised by reference to the stage of completion.

Tangible fixed assets Depreciation

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life.

Stocks

Stocks and work-in-progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter. The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability. Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Pension costs

The company operates a defined contribution pension scheme for employees. The annual contributions payable are charged to the profit and loss account.
