The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

**Turnover policy**

**Going concern**

The company participates in group centralised treasury agreements and so shares banking agreements with its parent and fellow subsidiaries.

The directors, having assessed the responses of the directors of the company's parent, Cathedral Homes (U.K.) Limited, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the group to continue as a going concern or its ability to continue with current banking arrangements.

On the basis of their assessment of the company's financial position and of the enquiries made of the directors of Cathedral Homes (U.K.) Limited, the company's directors have a reasonable expectation that the company will be able to continue to trade for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

**Ultimate parent undertaking and controlling party**

The company is a wholly owned subsidiary of Cathedral Homes (U.K.) Limited, a company incorporated

in England and Wales. The company regards Cathedral Homes (U.K.) Limited, which is wholly owned by its directors, as its ultimate holding company.
