INTRODUCTION

This report has been prepared to provide members and creditors with an update on the progress of the Liquidation of the Company since our last report dated 24 June 2019.

Given the information previously provided to members and creditors in our earlier reports, the Joint Liquidators have not included detailed background information in respect of the Company and have focussed on the progress of the Liquidation subsequent to those reports.

A schedule of statutory information in respect of the Company is attached at Appendix 1.

Details of the appointment of the Joint Liquidators

Nicholas Simmonds of Quantuma LLP and Mark Wilson of RSM Restructuring Advisory LLP were appointed Joint Liquidators of the Company on 29 April 2015 by the Creditors.

The Joint Liquidators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them.

THE PROGRESS OF THE LIQUIDATION

The Joint Liquidators' receipts and payments account

Attached at Appendix 2 is a receipts and payments account covering the Review Period together with a summary of the transactions in the previous Review Periods.

The Joint Liquidators have summarised the main asset realisations during the Review Period and an estimation of those assets yet to be realised, together with details of costs incurred but as yet remaining unpaid.

VAT Basis

Receipts and payments are shown net of VAT, with any amount due to or from HM Revenue and Customs shown separately.

Administrative, Statutory & Regulatory Tasks

The Joint Liquidators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the Liquidation, which has ensured that the Joint Liquidators and their staff have carried out their work to high professional standards.

During the Review Period, primarily these tasks have included:

- Drafting and issuing the progress report to creditors;
- Consulting with and instructing staff and independent advisers regarding practical, technical and legal aspects of the case to ensure efficient progress;
- Maintaining electronic and hard copy case files, which must include records to show and explain the Liquidation and any decisions made by the Joint Liquidators that materially affect the Liquidation;
- Monitoring and maintaining an adequate statutory bond;
- Conducting periodic case reviews to ensure that the Liquidation is progressing efficiently, effectively and in line with the statutory requirements;
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments; and
- Completing periodic tax returns.

Realisation of assets

Painting and Cash At Bank

The Joint Liquidators have previously reported on realisations in respect of the painting by Bob Dylan and the Company cash at Bank.

Wine

As previously reported the Company held 372,010 bottles of wine in Company accounts at a bonded warehouse, and a further 2,944 bottles were held in a bonded warehouse under the control of the Joint Liquidators' appointed agents.

A total of 161,265 bottles of wine were transferred into private accounts of investors who had opted to pay the administrative costs and take control of their wine.

124,272 bottles of wine were sold under an Agency Agreement offered by the Joint Liquidators upon the request of investors whereby the Joint Liquidators arranged the sale of wines and accounted to investors for the balance due following the deduction of associated costs in accordance with a Court Order.

The remaining 89,417 bottles (less unsellable damaged bottles) were sold for the benefit of the liquidation.

All payments have been received in this matter and no further realisations are anticipated.

Important Note

All wine has now been dealt with and no third parties were instructed to assist the Joint Liquidators in distributing payments.

All assets of the Company and all matters relating to distributions will be completed and carried out by the Joint Liquidators only.

The Joint Liquidators have warned creditors and investors on a number of occasions that individuals purporting to represent various companies have been contacting former investors seeking money to release either wine or funds.

This is continuing, and all unexpected calls should be treated with extreme caution.

If you believe that a fraud is being attempted, please report this to Action Fraud at <https://www.actionfraud.police.uk/> or by telephone on 0300 123 2040.

As a result, the Joint Liquidators and their team have had to deal with a considerable number of additional phone calls and other correspondence in relation to the above. This has had a significant impact on the Joint Liquidators' time estimates and time costs.

Loan Account

As creditors will be aware, a settlement of £700,000 was reached with Mr Frederick Achom ("Mr Achom") in respect of an outstanding loan account with the Company. This amount was secured against a property Mr Achom holds in London in order to protect the Joint Liquidators' position.

The total sum paid by Mr Achom under the settlement increased to £773,602.68 due to him defaulting on the payment terms, as well as further delays in him making payment plus accrued interest of £454.28. The additional sum paid by Mr Achom also included payment of the costs incurred by the Joint Liquidators (legal costs and fixed charge receiver costs) in taking steps to enforce the settlement agreement by obtaining an order for possession of Mr Achom's property.

Whilst payment was made by Mr Achom in the previous Review Period, the final balance (net of legal costs) was transferred to the Insolvency Services Account during this Review Period and as such, is reflected in the enclosed receipts and payments account.

Investigations

Investigations into other potential claims are ongoing and the Joint Liquidators are continuing to liaise with their legal advisors in this regard. During the Review Period, the Joint Liquidators have been required to review a large volume of data (held both electronically and in hard copy). The Joint Liquidators have also been required to interrogate a large volume of information provided by creditors and investors in support of their claims in the liquidation.

No further information can be provided at this stage so as not to prejudice any ongoing investigations and potential claims that may be brought by the Joint Liquidators.

Estimated future realisations

Estimated future realisations have been included within the asset realisations summary above.

Payments

The payments made in the review are detailed at appendix 2.

Costs Incurred but remaining unpaid

During the Review Period, the Joint Liquidators have also incurred time costs and category 2 disbursements, not all of which have yet been discharged. Further details of these costs are set out below.

CREDITORS: CLAIMS AND DISTRIBUTIONS

Since the last progress report, the Joint Liquidators have carried out the following main tasks in this category:

- maintained creditor information on the system;
- dealt with creditor correspondence and telephone conversations;
- made payments to Agency Agreement investors;

Although significant time costs have been incurred in adjudicating creditors' claims, this work has had a financial benefit for creditors as it has ensured that payments will only be made to parties who have a statutory right to a dividend.

Secured Creditor

There are no secured creditors. The Joint Liquidators liaised with LCB to ensure that the lien they held was not exercised in respect of the debt due on storage costs. All storage costs have now been discharged.

Preferential creditors

Preferential creditors' claims totalling £1,425 in respect of 3 employees for wage arrears and/or holiday pay have been received.

The preferential creditors' claims are in the process of being adjudicated and it is anticipated that a dividend will be paid in full.

Prescribed Part

Under Section 176A of the Insolvency Act 1986, where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of the company must be made available purely for the unsecured creditors. This equates to:

- 50% of net property up to £10,000;

- Plus, 20% of net property in excess of £10,000.
- Subject to a maximum of £600,000.

The Company has not granted a floating charge to any creditor after 15 September 2003 and consequently there will be no prescribed part in this Liquidation.

Crown Creditors

The Official Receiver's observations included the amount of £127,843 owing to HM Revenue & Customs. HMRC's final unsecured claim has been received in the sum of £167,836.

Unsecured creditors

Unsecured claims have been received from trade creditors totalling £265,803.

Unsecured claims in respect of missing wine, sales payments not received and other claims remain unquantified.

As previously advised, the adjudication of unsecured creditor claims is a sizeable exercise with c700 investors ranking as unsecured creditors for some or all of their claim, as well as a lack of record availability in many cases.

A dividend to unsecured creditors may be available, the quantum of which will be dependent on the final realisations, final costs and the level of agreed claims.

Claims process

Due to the possible distribution to unsecured creditors, you are requested to submit claims to the address on the front of this report, marked for the attention of Madhav Vibhakar. Please note, for those of you that have previously corresponded with Caroline Lowes, she no longer working on this case and queries should be directed to Madhav Vibhakar at madhav.vibhakar@quantuma.com.

A Proof of Debt form is attached at Appendix 6.

If you have already provided a completed Proof of Debt you do not need to complete and send a further form.

OTHER MATTERS AND INFORMATION TO ASSIST CREDITORS

Further Information

Creditors should note that the Joint Liquidators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment. Further information can be viewed at the following link. Additionally the Joint Liquidators are also bound by the regulations of their Licensing Bodies.

THE JOINT LIQUIDATORS' REMUNERATION AND EXPENSES

Joint Liquidators' Remuneration

The Payments shown on the summary of the Receipts and Payments at Appendix 1 are in the main self-explanatory.

The Liquidators' Fees in respect of wine allocation and subject to Order of the Court

At the hearing on 12 February 2016, Chief Registrar Baister approved a previous ruling by Registrar Barber that the 'Berkeley Applegate' principle would apply in relation to the costs of dealing with the wines held at LCB.

Chief Registrar Baister's Order provided that:

"The applicants' costs incurred by them or on their behalf in and about the dealing with the Wine, including their reasonable time costs, expenses and disbursements, (including their reasonable legal costs) shall be paid in accordance with (paragraph (2) of order of Ms Registrar Barber dated 12 January 2016, that is to say in priority to any payment of distribution to any Customer or any third party who is or who may claim to be the true owner of any Wine or any part of the proceed of sale thereof, save to the extent that any proportion of such costs, expenses and disbursements have been paid pursuant to paragraphs 7 and 8 of this Order."

Committee resolution

At a meeting of the committee held on 26 August 2016 the committee resolved that the Liquidator's fees should be fixed on the following basis/bases:

"that the Joint Liquidators' remuneration for general work would be charged on a time cost basis."

"that the Joint Liquidator's remuneration in relation to investigation work (predominantly RSM) would be charged on the basis of time costs plus a realisation fee of 10%."

	Total timecosts (£)	Paid (£)
Quantuma Review period	16,647.75	100,000.00
RSM Review Period	54,151.50	159,364.57
Quantuma from appointment to 28 April 2020	912,209.35	785,358.56
RSM from appointment to 28 April 2020	342,333.40	350,660.87

Summary of Costs

A breakdown of the timecosts incurred during the Review Period are summarised at Appendix 3.

In summary the Joint Liquidators' timecosts are as follows:

	Total timecosts (£)	Representing (hours)	Hourly rate (£)
Quantuma Review period	16,647.75	75.75	219.77
RSM Review Period	54,151.50	169.00	320.42
Quantuma since appointment to 28/04/2020	928,857.10	6,274.61	148.03
RSM since appointment to 28/04/2020	342,333.40	1,318.80	259.58

We believe this case generally to be of average complexity with the exception of:

- Ensuring all costs have been accounted for in relation to the sale of the Agency Agreement and Company wine;
- The necessity for extensive legal advice and several Court hearings;
- Allocating the funds paid to individuals wine list;
- Continuing the claim adjudication process in relation to unsecured claims based on the information available from the Company records and the bundles of information provided by investors;
- Dealing with high volume of calls and emails from concerned customers regarding contact from rogue callers and the receipt of letters from rogue Companies; and
- Dealing with calls and emails from customers requesting additional updates.
- Investigation and taking forward the claims against third parties.

The underlying basis of charging proposed to and approved by the creditors committee has been Quantuma LLP's and RSM Restructuring and Advisory LLP's standard charge out rates which are reviewed periodically.

The work undertaken during the Review Period has been categorised into the following task headings and sub categories:

- **Administration and planning includes:**
 - Maintaining electronic case files and electronic case details on IPS (an electronic data management system);
 - general administration dealing with routine correspondence and emails;
 - case strategy and completing file reviews; and
 - VAT & Corporation Tax matters and returns.
- **Creditors includes**
 - dealing with creditor correspondence, emails and telephone conversations;
 - committee reporting;
 - committee meetings, minutes and liaising with committee members;

- **Cashiering includes**

Creditors' right to challenge remuneration and/or expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of remuneration which the Joint Liquidators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of.

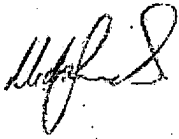

Please note that such challenges may not disturb remuneration or expenses disclosed in prior progress reports.

Future actions to be taken in the Liquidation

The administration of the Liquidation will continue in order to finalise the following outstanding matters that are preventing this case from being closed:

- Agreement of unsecured creditor claims;
- Pursuing further claims, where applicable;
- Final distributions to preferential creditors;
- Final distributions to unsecured creditors.
