WYKO Holdings Limited

Strategic report for the year ended 31 December 2018

The director presents his Strategic report for the company for the year ended 31 December 2018.

Principal activities

The principal activity of the company is the holding of investments and the provision of management services to other group companies.

Review of the business

The profit for the financial year ended 31 December 2018 was £4,848,000 (2017: £3,235,000). At the year end the company had net assets of £139,678,000 (2017: £139,230,000). The director is satisfied with the performance of the company for the year.

Principal risks and uncertainties

As the company holds several investments, the carrying value of these investments is the principal risk within the entity. Management carry out an annual assessment of carrying values in order to mitigate this risk and regularly consider the impact of group reorganisation projects or transactions. Excluding financial risk considered in Directors' report, at the date of signing the financial statements the director is not aware of any further principal risks and uncertainties affecting the company.

Future outlook

The company will continue to act as an intermediate holding company and provider of management services within the ERIKS UK Group of Companies and it is not envisaged that it will undertake any other form of business activity. A full business review for the ERIKS Group of Companies is given in the report and financial statements of the ultimate holding company, SHV Holdings N.V.

Director's report for the year ended 31 December 2018

The director presents his report and audited financial statements of the company for the year ended 31 December 2018.

Director

The director who served during the year and up to the date of signing the financial statements, unless otherwise stated, was:

AMJ Fitchford

Independent auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Financial risk management

The principal risk that could potentially affect the company is credit risk, which relates to the loss that the company could incur if an obligor or counterparty defaulted on a loan. However, the Director considers this risk to be minimal as all lending is to affiliate companies under a common ultimate parent (SHV Holdings N.V.).

Other risks relating to financing and funding are managed by the Group Treasury department at ERIKS Group N.V. level. The directors of the ERIKS Group of Companies, which includes WYKO Holdings Limited, manage operations on a divisional basis. For this reason, the company's director believes that analysis using key performance indicators for the company is not necessary or appropriate for an understanding of the development, performance or position of the business.

Political contributions

The Company made no political donations or incurred any political expenditure during the year (2017: nil)

Dividends proposed

A dividend on ordinary shares of £4,400,000 (2017: £3,500,000) was authorised by the members in general meeting and was paid during the year.

Statement of directors' responsibilities in respect of the Strategic Report, the Directors' Report and the financial statements

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Statement of disclosure of information to auditor

In the case of each director in office at the date the Directors' Report is approved, under section 418 of the Companies Act 2006 the following applies:

- (a) so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- (b) he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WYKO HOLDINGS LIMITED

Opinion

We have audited the financial statements of Wyko Holdings Limited ("the company") for the year ended 31 December 2018 which comprise the Profit and loss account, Statement of comprehensive income, Balance sheet, Statement of changes in equity and related notes, including the principal accounting policies in note 3.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

The impact of uncertainties due to the UK exiting the European Union on our audit

Uncertainties related to the effects of Brexit are relevant to understanding our audit of the financial statements. All audits assess and challenge the reasonableness of estimates made by the directors, such as recoverability of assets and related disclosures and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the company's future prospects and performance.

Brexit is one of the most significant economic events for the UK, and at the date of this report its effects are subject to unprecedented levels of uncertainty of outcomes, with the full range of possible effects unknown. We applied a standardised firm-wide approach in response to that uncertainty when assessing the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for a company and this is particularly the case in relation to Brexit.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

Strategic report and directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WYKO HOLDINGS LIMITED (continued)

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 3, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

WYKO Holdings Limited

Notes to the financial statements for the year ended 31 December 2018

1 General information

WYKO Holdings Limited holds investments and provides management services to other members of the ERIKS UK group.

The company is a private company limited by shares and is incorporated and domiciled in England. The address of its registered office is Amber Way, Halesowen West Midlands, B62 8WG.

2 Statement of compliance

The financial statements have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

3 Principal accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. The policies have been consistently applied to all the years presented unless otherwise stated. The company has adopted FRS 102 in these financial statements..

Basis of Preparation

These financial statements are prepared on the going concern basis, under the historical cost convention.

Going Concern

The company meets its day-to-day working capital requirements via its cash pooling arrangements with its fellow ERIKS UK subsidiary companies. The UK cash pool is headed by the ultimate UK holding company ERIKS UK Holdings Limited which is financed by two long-term group loans arranged with the group's ultimate holding company SHV Holdings NV and an additional on-demand facility with ERIKS NV. The company's forecasts and projections, taking account of a range of possible trading performances, show that the company should be able to operate within the level of currently available facility. After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

Consolidation

The company is a wholly owned subsidiary of SHV Holdings N.V., a company incorporated in The Netherlands, and as provided by S400 Companies Act 2006, is exempt from the preparation of group financial statements.

Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income. Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax arises from timing differences between taxable profits and total comprehensive income as stated in the financial statements.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or to pay less tax in the future have occurred at the balance sheet date

Deferred tax assets are recognised to the extent that they are regarded recoverable and that there will be suitable taxable profits from which the future reversal can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse. Deferred tax is measured on a non-discounted basis.

WYKO Holdings Limited

Notes to the financial statements for the year ended 31 December 2018

3 Principal accounting policies *(continued)*

Foreign currencies

The company's functional and presentation currency is the pound sterling.

Transactions in foreign currencies are translated into sterling at the rate of exchange on the day of the transaction or at a contracted rate if it is covered by a forward contract. Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rate ruling at the balance sheet date or, if appropriate, any forward contract rates. Exchange differences arising from these translations are taken to the profit and loss account.

Basic financial instruments

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors.

Interest payable and receivable

Interest payable and similar charges include interest payable, finance charges on shares classified as liabilities and finance leases recognised in profit or loss using the effective interest method, unwinding of the discount on provisions, and net foreign exchange losses that are recognised in the profit and loss account (see foreign currency accounting policy). Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains. Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method.

Investments

Investments in subsidiary undertakings are recorded at cost plus incidental expenses less any provision for impairment. Impairment reviews are performed by the directors when there has been an indication of potential impairment.

Cash flow statement

The Company's ultimate parent undertaking, SHV Holdings NV, includes the Company in its consolidated financial statements. The consolidated financial statements of SHV Holdings NV are prepared in accordance with Dutch Generally Accepted Accounting Principle and are available to the public and may be obtained from its registered office (note 16).

In these financial statements, the Company is considered to be a qualifying entity (for the purposes of this FRS) and as the consolidated financial statements of SHV Holdings NV include the equivalent disclosures, the Company has applied the exemptions available under FRS 102 and has not prepared a cash flow statement.

Dividends

Dividends are recognised as a liability in the financial year in which they are approved or committed. These amounts are recognised in the statement of changes in equity.

4 Operating profit

	2018	2017
	£000	£000
Operating profit is stated after charging / (crediting):		
Audit fees payable to the company's auditor	6	6
Income from management services provided (included in 'Other operating income')	(11)	(11)

Included within fees paid for the audit of the financial statements is £2,000 (2017: £2,000) relating to the audit fee of fellow subsidiary and other group companies.

5 Directors and employees

The monthly average number of persons employed by the company during the year was:

	2018	2017
	Number	Number
Group director	1	1

The Director did not receive any remuneration from the company during the year for his services. No payments have been made to a money purchase pension scheme in respect of any director. No directors were a member of the Wyko Group Retirement Benefit Scheme (2017 - none), a defined benefit pension scheme. Further information in respect of the pension scheme is given in the financial statements of the fellow subsidiary company, ERIKS Industrial Services Limited.
