2. The Order as confirmed provides for the purchase for the purposes connected with the carrying on of the activities which the acquiring authority is authorised by its licence to carry on and allowing the acquiring authority to discharge its statutory duties within its licence area to develop and maintain an efficient and economical pipeline system for the conveyance of gas and to facilitate competition in the supply of gas of the land described in the Schedule 1 hereto.

3. 5. The acquiring authority may acquire the land to which this notice relates by making a general vesting declaration under section 195 of the Town and Country Planning (Scotland) Act 1997. Such a declaration shall not be executed before the end of the period of two months beginning with the date of the first publication of this notice except with the consent of every occupier of the land affected. The effect of the making such a declaration is to vest the land in the acquiring authority at the end of the appropriate period and is more fully explained in Form 8 (statement to be included in Form 4 when a general vesting declaration is to be made) contained in the Compulsory Purchase of Land (Scotland) Regulations 2003. A copy of the said Regulations has also been deposited and may be seen aforesaid.

CORONAVIRUS - TEMPORARY CONTINUITY DIRECTIONS ETC: EDUCATION, TRAINING AND CHILDCARE

CORONAVIRUS ACT 2020 DISAPPLICATION OF SECTIONS 5(1), 48(3) AND 49(1) AND (2) OF THE EDUCATION ACT 2005 (ENGLAND) NOTICE 2021

The Secretary of State for Education, in the exercise of powers conferred by section 38(1) of, and paragraph 5 of Schedule 17 to, the Coronavirus Act 2020¹, issues the following notice.

Disapplication of sections 5(1), 48(3) and 49(1) and (2) of the Education Act 2005

1. The Secretary of State for Education by this notice disapplies:

(a) in relation to England sections 5(1), 48(3) and 49(1) and (2) (provisions relating to inspections) of the Education Act 2005² (the 2005 Act) during the period specified in this notice;

(b) any similar Academy arrangement provisions to sections 48(3) and 49(1) and (2) of the 2005 Act during the period specified in this notice.

2. The Secretary of State for Education considers that the issuing of this notice is an appropriate and proportionate action in all the circumstances relating to the incidence or transmission of coronavirus for the following reasons:

(a) From 20th March 2020 until the end of the summer term, educational institutions and registered childcare settings in England limited attendance to certain children and young people in order to reduce the spread of coronavirus. Over the course of the summer term they welcomed back more children and young people in stages. In the government's Guidance for opening: schools, published on 2nd July 2020 (updated 3rd December 2020)³, the government asked schools to prepare for all pupils to return to school from the beginning of the autumn term (except where public health advice indicated that they should remain at home).

(b) Since the start of the 2020 autumn term, education institutions, including primary and secondary schools and further education settings, alternative provision settings and special schools, and registered childcare settings have been asked to remain open during term time for all year groups/children. Government intends for this to remain the case in January.

(c) The Secretary of State for Education has previously issued eight notices disapplying the provisions specified in paragraph 14. The most recent notice was issued on 26th November 2020. The specified time period of that notice was 1st December 2020 to 31st December 2020.

(d) The suspension of routine Ofsted inspections was announced on 17th March 2020. Routine inspections continue to be inappropriate at this time while schools are fully engaged in responding to the coronavirus outbreak and are focussed on providing full-time education for all pupils, which includes implementing and maintaining protective measures for pupils and staff.

(e) Section 5(1) of the 2005 Act puts a duty on Ofsted's Chief Inspector to undertake regular inspections of state-funded schools within prescribed intervals, and to report on the result of such inspections. If this section is not disapplied, Ofsted will fall foul of its duty to inspect within the prescribed period (around every 5 years). In relation to state-funded schools, temporarily lifting the duty on Ofsted to routinely inspect and report remains necessary to alleviate pressure on school leaders and their staff. This will enable them to focus on continuing to provide full-time education for all pupils.

(f) The continued suspension of routine inspections is a short-term, temporary measure. The government remains committed to Ofsted inspection. The disapplication of the duty to conduct routine inspections will remain under review and routine inspections will be reintroduced at the appropriate time. As set out in the government's guidance for opening: schools, it is intended that Ofsted will: i) conduct monitoring inspections of inadequate schools and some schools that require improvement during the spring term; and ii) resume routine, graded inspections in the summer term.

(g) While routine Ofsted inspections are not appropriate at this time, Ofsted will retain its power to inspect individual schools, under section 8 of the 2005 Act, if any significant concerns arise.

(h) Sections 48(3) and 49(1) and (2) of the 2005 Act place duties on the governing bodies of voluntary or foundation schools which have been designated as having a religious character, and (through Academy funding arrangements) the proprietors of Academies designated as having a religious character, to arrange inspections covering collective worship at the school and denominational education provided by the school within prescribed intervals and for the person conducting such an inspection to inspect and produce a report within prescribed periods. As set out above, routine inspections of state-funded schools are not appropriate while they are focussing on providing full-time education for all pupils which includes implementing and maintaining protective measures for pupils and staff. If these sections are not disapplied, some schools designated as having a religious character may fall foul of their duty to arrange these inspections within the prescribed period (around every 5 years) and to carry out the inspections and prepare a report within the prescribed period.

(i) The matters above are relevant to all of England.

Specified period

3. The specified period in this notice starts at the beginning of 1st January 2021 and finishes at the end of 31st January 2021.

CORONAVIRUS ACT 2020 MODIFICATION OF SECTION 3 OF THE EDUCATION ACT 1996 (ENGLAND) NOTICE 2021

The Secretary of State for Education, in exercise of the powers conferred by section 38(1) of, and paragraph 5 of Schedule 17 to, the Coronavirus Act 2020¹, issues the following notice.

Modification of section 3 of the Education Act 1996

1. The Secretary of State for Education by this notice modifies in relation to England section 3 (definition of pupil etc.) of the Education Act 1996² in the manner described in the table in paragraph 5 of Schedule 17 to the Coronavirus Act 2020 so that, for the purposes of the Education Act 1996, a person is not to be treated as a pupil at a school merely because any education is provided for that person at the school on a temporary basis, for reasons relating to the incidence or transmission of coronavirus during the period specified in this notice.

2. The modification in paragraph 1 has effect only for the purposes of section 434 of the Education Act 1996 (registration of pupils) and any regulations made under that section.

3. The Secretary of State for Education considers that the issuing of this notice is an appropriate and proportionate action in all the circumstances relating to the incidence or transmission of coronavirus for the following reasons:

(a) From 20th March 2020 until the end of the summer term, educational institutions and registered childcare settings in England limited attendance to certain children and young people in order to reduce the spread of coronavirus. Over the course of the summer term they welcomed back more children and young people in stages. In the government's Guidance for full opening: schools, published on 2nd July 2020 (updated on 3rd December 2020)³, the government asked schools to prepare for all pupils to return to school from the beginning of the autumn term (except where public health advice indicates that they should remain at home).

(b) Since the start of the 2020 autumn term, education institutions, including primary and secondary schools and further education settings, alternative provision settings and special schools, and registered childcare settings have been asked to remain open during term time for all year groups/children. Government intends for this to remain the case in January.

(c) The Secretary of State for Education has previously issued eight notices modifying section 3 of the Education Act 1996 in the manner described in paragraphs 1 and 2⁴. The most recent notice was issued on 26th November 2020. The specified time period of that notice was 1st December to 31st December 2020.

(d) This modification, for the purposes of section 434 of the Education Act 1996, facilitates the temporary attendance of a pupil at a school they do not usually attend by removing the obligation on that school to register the pupil and removing any obligation thereafter to make permanent provision for the pupil that may otherwise arise as a result of registration.

(e) The limitation to this modification by paragraph 2 preserves other, important, duties and responsibilities that exist with regards to pupils in general that need to and will continue to apply in relation to pupils who are attending a school other than the school at which they are registered as pupils.

(f) The government expects all pupils to attend their normal school. Schools are expected to remain open but a small minority of pupils may still need to attend a school other than the school at which they are registered, for example as a result of any attendance restrictions imposed in response to increases in coronavirus incidence and transmission. In such cases, this notice will facilitate the attendance of pupils at a different school, as a temporary measure. These situations are liable to arise unpredictably in localities across England given the changing pattern of coronavirus incidence, so a territorial or other limitation would not be appropriate. It is therefore appropriate to make this notice both in relation to the whole of England and for the period specified.

Specified period

4. The specified period in this notice starts at the beginning of 1st January 2021 and finishes at the end of 31st January 2021.

EDUCATIONAL CONTINUITY (NO.6) DIRECTION GIVEN UNDER PARAGRAPH 11(1) OF SCHEDULE 17 (TEMPORARY CONTINUITY DIRECTIONS ETC: EDUCATION, TRAINING AND CHILDCARE: SCOTLAND) OF THE CORONAVIRUS ACT 2020

1. The Scottish Ministers in exercise of their powers conferred by section 38(2) and paragraph 11(1) of schedule 17 of the Coronavirus Act 2020 (c.7) ("the 2020 Act") give the following **Educational Continuity Direction**.

2. Before giving this direction, the Scottish Ministers had regard to the advice relating to coronavirus from the Chief Medical Officer of the Scottish Administration.

3. The Scottish Ministers are satisfied that giving the direction is a necessary and proportionate action for or in connection with the continued provision of education.

The Scottish Ministers direct as follows:

4. This Direction applies to every education authority in Scotland.

Closure of educational establishments, and exceptions

5. Each education authority is required to restrict access to all educational establishments under its management (except any further education institution) from 00:01 on 28 December 2020 until 00:01 on 18 January 2021, except in so far as access is required for or in connection with any of the following:

- The provision of early learning and childcare in terms of paragraph 6, and school age education and childcare in terms of paragraph 7.
- The provision of education by way of remote learning in terms of paragraph 8.
- Planning and preparation for the provision mentioned in sub-paragraphs (a) and (b), and for the resumption of in-person attendance by pupils in terms of paragraph 9.

d. Maintenance of buildings and facilities as considered appropriate by the education authority, or any use of buildings and facilities for, or in relation to, other aspects of the local authority's response to coronavirus.

Continuing provision of education and childcare and related matters

6. Each education authority is required to provide early learning and childcare (ELC) from the later of 28 December 2020 or the return date determined by the education authority for any ELC service under its management, pursuant to appropriate local arrangements and having regard to the guidance issued by the Scottish Ministers, for—

- children of key workers; and
- vulnerable children and young people.

7. Each education authority is required to provide school age education and childcare from the later of 5 January 2021 or the return date determined by the education authority for schools under its management, pursuant to appropriate local arrangements and having regard to the guidance issued by the Scottish Ministers, for—

- children of key workers; and
- vulnerable children and young people.

8. Each education authority is required to provide education by way of remote learning to pupils who normally attend schools (except nursery schools or nursery classes) under the management of the education authority from 11 to 15 January 2021. Where a pupil is provided with education under paragraph 7, this requirement applies only to the extent the education authority considers necessary to ensure the provision of adequate and efficient school education for the pupil.

9. Each education authority is required to ensure that all educational establishments under its management (except any further education institution) are open to all pupils for the in-person provision of education from 18 January 2021.

10. Where an education authority is unable to secure the provision of free school meals to eligible pupils in terms of section 53(2) of the Education (Scotland) Act 1980 (c.44) ("the 1980 Act"), the authority is required to secure the provision of such reasonable alternatives (for example, other food and drink, or vouchers or cash) as it may determine.

Effect of Direction on other provisions of law

11. The Scottish Ministers in exercise of their power under paragraph 11(3) of schedule 17 of the 2020 Act direct that any failure to comply with a duty or time limit imposed under the following provisions is to be disregarded to the extent the failure would be attributable to this Direction:

- section 53(2) (provision of free school lunches) of the 1980 Act" (but see paragraph 10 above);
- section 47(1) (duty to secure provision of early learning and childcare) of the Children and Young People (Scotland) Act 2014 (asp 8);
- section 30(1) (duty of parents to provide education for their children) of the 1980 Act insofar only as that duty is discharged by causing the child to attend a public school regularly.

Requirement to have regard to certain matters, and to guidance

12. In making the provision or carrying on the activities set out in this Direction, an education authority must have regard to the objective of preventing the transmission of coronavirus, to the welfare of children and young people and staff, and to the importance of continuity of education.

13. In making the provision or carrying on the activities set out in this Direction, an education authority must have regard to relevant guidance issued by the Scottish Ministers.

Duration and publication

14. This Direction takes effect from 00:01 on 28 December 2020.

15. This Direction has effect until the earlier of 19 January 2021 or its revocation by a further Direction given by the Scottish Ministers.

16. In terms of paragraph 13(4) of schedule 17 of the 2020 Act this Direction will be reviewed within 21 days beginning with the date on which the Direction is given.

17. This Direction is published in accordance with paragraph 13(1) of schedule 17 of the 2020 Act.

I give notice that I am acting and intend to continue to act in all or any of the ways specified in section 216(3) of the INSOLVENCY ACT 1986 if the above-named company were to go into insolvent liquidation in connection with, or for the purposes of, the carrying on of the whole or substantially the whole of the business of the above-named company under the following name:

Notice may be given where the person giving the notice is already the director of a company which proposes to adopt a prohibited name.

Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ("TSO" or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

1 The Publisher's privacy policy www.thegazette.co.uk/privacy

2 The Publisher's policies relating to submission of notice www.thegazette.co.uk/place-notice/policy which together govern the submission of Notices.

Advertisers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Advertisers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Advertisers who place Notices and has the authority to refuse to publish Notices from Advertisers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the "**Website**") or by email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions. Where the Advertiser is acting as an agent or as a representative of a principal, the Advertiser warrants that the principal agrees to be bound by these Terms and Conditions. The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Advertiser, including any principal, agrees to be bound by the revised Terms and Conditions.

1 Definitions

1.1 In these Terms and Conditions: "**Advertiser**" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; "**Authorised Scale of Charges**" means the scale of charges set out at in the printed copy of the Gazette or at www.thegazette.co.uk/place-notice/pricing, as modified from time to time; "**Charges**" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges; "**Forwarding Service**" means the service provided to use The Gazette's postal box for correspondence in relation to deceased estates Notices; "**Local Newspaper Notice**" means any notice placed in a local newspaper other than The Gazette; "**Notice**" means all advertisements and state, public, legal or other notices (without limitation) submitted for potential publication in The Gazette by the Advertiser, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; "**Publisher**" means The Stationery Office Limited or TSO, with registered company number 03049649, acting in accordance with the concessionary contract awarded by The National Archives.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Advertiser.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) - (v) above) shall be made without confirmation from the Advertiser.

For the avoidance of doubt, the Advertiser agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Advertiser that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final. The Advertiser must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall notify the Advertiser of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser. Where publication has taken place the Notice placer will be contacted with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice.

6 Save for any liability that cannot be excluded or restricted by law (including fraudulent misrepresentation, or for death or personal injury resulting from the negligence of either party or their agents, subcontractors and/or employees) which shall not be limited or excluded in any way, the Publisher, The National Archives, or any successor organisation's (including affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability (including any liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation (other than fraudulent misrepresentation), equity, breach of statutory duty, strict liability or otherwise at law, and whether arising from the acts and/or omissions of the Publisher or The National Archives or arising out of or made in connection with any Notice or otherwise shall be limited to one hundred and fifty (150) per cent of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Advertiser and/or any third party or in respect of any Notice submitted by any Advertiser for potential publication in

The Gazette, which the Advertiser warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error or has published a Notice in error a, the Publisher shall at no charge to the Advertiser, either remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 . In the event that the Publisher believes, in its sole opinion, an Advertiser is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Advertisers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Advertiser and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Advertiser agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities , costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation , clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Advertiser (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Advertiser shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including , without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled

by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Advertiser, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from www.thegazette.co.uk, but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice - and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Advertiser accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Advertiser accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Advertiser agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties.

17 The Advertiser acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Advertiser's account related to such authorities and the Advertiser hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Advertiser hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends , re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Advertiser expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the

Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Advertiser;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error including (without limitation), the Publisher, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Advertiser. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of the their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, The Gazette will replace the Advertiser or executor's address with The Gazette's postal

box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent on from The Gazette to the Advertiser or executor (if different). The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependents) Act 1975. After the 10 months period has lapsed any correspondence received will be returned to the sender where possible or securely destroyed, and the Advertiser or executor's name and address details will be removed from the Forwarding Service.

20 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Advertiser in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Advertiser.

21 If the Advertiser wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

22 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

23 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
